**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am the consumer of a small business owner who supports Broadband competition. I am not a fan of price hikes that will increase the cost of internet and telephone services. Broadband is crucial to my home and my small business. Big corporations do not seem to have the customers needs as a priority.

Thank you
